3) Enter your desired GPA and click “calculate.”

Current GPA	<input type="text" value="2.84"/>
Credits Earned	<input type="text" value="15"/>
Desired GPA	<input type="text" value="3.25"/>

The DegreeWorks Advice GPA Calculator is a tool for students to determine specific grades are needed for them to achieve a certain cumulative GPA they self- enter. It is not an official record of a student's grade point av

The results page will show you how many credits you must have at a certain grade average to achieve your desired GPA.

Current GPA	2.84
Credits Earned	15
Desired GPA	3.25

To achieve your desired GPA, you need one of the following:

- 8 Credits at 4.00 (A) grade average
- 14 Credits at 3.70 (A-) grade average
- 123 Credits at 3.30 (B+) grade average

Note: Results that would require you to take more than 150 Credits have been omitted.

NOTE: Keep in mind that it may not be possible to reach your desired GPA with the number of credit hours you have remaining.

If this is the case, you will see a message on the screen indicating so after you click “calculate.”

Current GPA
Credits Earned
Desired GPA

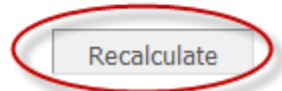

Error: Based on the information entered above, achieving the desired GPA requires too many credits to calculate.

4) Click the “Recalculate” button to go back and enter different numbers.

your desired GPA, you need one of the following:

is have been omitted.

Please note that the DegreeWorks calculators are tools for students, but none of the calculators are an official GPA record. The only official Appalachian State University grade point average is found on a student’s academic transcript, and not in DegreeWorks.
